

2020 Bronson Bros.

Our most fruit-forward GSM blend features layers of rich fruit from Grenache, Cinsaut, and Petite Sirah. It's redolent with aromas of ripe, juicy plum, red raspberry, currant, and hibiscus, which are surrounded by savory notes of fresh cedarwood, graphite, juniper, and cigar box. This medium body wine is profoundly well-balanced, with rich fruit, gentle spice, and a velvety finish. Fresh pomegranate, spiced strawberry jam, and luxurious chocolate covered cherry dominate the palate, with just a hint of black pepper on the finish. This wine is a welcoming little mosaic, which pairs with many foods, and you will keep coming back for more! Drink now through 2027.

The wine's name honors the first winemakers in Placerville, the Bronson Brothers, who established a nursery and vineyard in Smith Flat, just across the street from the present-day Smith Flat House and began producing wines in 1857. For a number of years, they were the largest winemakers in the County. From the top of the ridge above our Amphitheater, you can see the site of their vineyard. One hundred sixty-three years later, their vision survives in this lovely GSM blend.
