

2022 Hope Rising

This beautiful Rhône-style white wine blend of Marsanne, Roussanne, and Viognier is a superb standout! The super bright & intensely concentrated bouquet opens with fresh cut lily, green apple candy, lemongrass, and lemon sorbet, while hints of kaffir lime leaf and chamomile add interest & depth. The palate is refreshing and clean, with vivacious acidity balanced by just a touch of creaminess. Flavors of lemon cream pie, green mango, and dried pineapple and are complemented by a hint of vanilla cookie and tropical lychee. The lively flavors of the palate are carried through the finish with a vibrant swathe of acidity that keeps you coming back for more. Drink now through 2027.
