

2011 Cabernet-Merlot Blend – Napa Valley, California

Description

Our Cabernet-Merlot blend balances the bright red fruit of Merlot with the structure, power and dark fruit of Cabernet, to create a rich blend from hillside vineyards in the cooler parts of the Napa Valley, between Oakville and the city of Napa.

Tasting Notes

Hints of bay leaf, mint and spicy black pepper play on the nose of our Cabernet-Merlot. Vibrant flavors build layers and momentum on the palate. The subtle, sweet oak leads to a balanced, lingering finish.

Technical Notes
